Panel discussion
NIS2: From compliance to resilience

Brussels, 18 May 2026

The User Perspective

Compliance-Driven

Resilience-Focused

Our panel of experts

- **Jeroen Roelandt**

De Watergroep

- **Hans Graux**

Timelex & partner INCIDENTRON

- **Dr. Marnix Dekker**

ENISA

Who are you?
Where do you want to get with NIS2?

**From compliance to resilience:
Reality versus intent?**

Practical challenges and blind spots?

**Effectiveness of reporting,
supervision & incident response?**

**Role of tools,
frameworks and guidelines?**

Future expectation?

One thing to remember?

Thank you!
